**What should we change about Winter Camp activities?**

- Keep running on time 2
- Less hiking 2
- A few more themed games, especially between teams
- Attendance mandatory at events for those not engaged in other assignments
- Don't convert to HDA on an audible
- Encourage more participation
- Establish a short list of standard service projects we can do every year - cabin cleaning, light fixtures, ceremony site clean up, etc
- Golf hole from Tall Timbers to Morosky Firebowl
- Longer Casino Night
- More HDA
- More inside activities
- More variety, most were not fun
- Move volleyball back to 12/27
- None
- Not so much hiking
- Shift time the other way (7AM EST -> 5:43 WCST)

Yes 15

**Would you like to help plan next year's Winter Camp?**

Yes 12

**Additional comments**

- Excellent leadership from Leader (Jacob Ferns) and our adviser (Ethan)
- Light patrol use this year. Perhaps we should only use this method when we really want to commit to it
- Loading the Attic went well
- Need to share the load better for tear down on 12/31
- Need wrap up planning meeting on evening on 12/30
- None. This year seemed to run pretty smooth. Good to see some participation awards
- Noticed people not working at service projects
